

Welcome to the Career Resources Portal

Please register to access a great range of tips and tools to support your career

The Career Resources Portal is an online platform which offers practical tools and resources designed specifically for Leaders to help support you in your career development.

The tools and resources offered are through Career Assessments, Aptitude tests, E-Learning paths, Interview simulators, Elevator Pitch Builders and Aptitude tests to name a few.

Supporting employees at every stage of their career

My NHS Career Resources provides all employees with access to a fantastic range of **career assessments**, 1000s of continuously updated **eLearning courses and videos**, interactive **career tools** and **industry insight**.

Whatever your preferred learning style, the platform offers learning materials to suit all preferences.

Taking Career Pulse is essential for your personal development. Please make sure you take your self-assessment.

Would this Career Resources Portal be good for me?

If you answer **YES** to any of the points below, then this portal is for you....

Are you thinking of applying for a new role? ✓

Do you want to explore a new career path? ✓

Are you thinking about a change from a clinical role to a management role? ✓

Have you recently been promoted and need some online support? ✓

Are you a manager and want to support a team member in their development? ✓

Do you want to establish what your strengths and weaknesses are? ✓

Do you want to explore current and new skills? ✓

How do I gain access to the Career Resources Portal?

You can access the Career Resources Portal through the Single-Sign-On to the Leadership Academy Online Learning Platform <https://profile.leadershipacademy.nhs.uk>
