

Your Leadership Journey

Leadership Academy

East of England

Our patients and service users expect and deserve the best standards of safe, effective care. We know compassionate, inclusive and effective leaders, create an environment where we can deliver imaginatively designed, high quality, patient and user centred services.

EoE Leadership Academy

Bitesize, virtual and online learning encompassing a variety of topics for compassionate, inclusive leadership, Career Management, leading and transformation in integrated care systems and Primary Care Networks. Also free to health and care staff and open to all levels of development:
